You tried to take the crown,
Another failed attempt,
At what point are you able,
Able to admit defeats?
I would have killed to save you,
Or tried to stop the war,

It's you, it's you, it's you.

Look at your broken frame now,

You'll never breathe again with caved in lungs.
You're just like me,
We're all the same,
We've forgotten how to breathe,
We've forgotten how to...
