Those dreams we had will never have the chance to
come true,
Those nights that I swore i'd never let them hurt you.

So many promises,
I tried my best to keep them all.
Well we were younger then,
Things were easier back then.
I gave you everything I had,
I would have given more,
Given one more chance,
I swear I'd change the world.

Oh keeping us safe,
Was the only thing i ever meant to do,
I swear I'd die if anything ever happened to you.

Those dreams we had will never have the chance to
come true,
Those nights that I swore I'd never let them hurt you.

Just tell me why,
Alease tell me why this had to blow up in my face?
Just tell me why,
Please tell me why,
I wasn't there to see you fall?

I gave you everything I had,
I would have given more,
Given one more chance,
And I swear I'd change the world.
Oh keeping us safe,
Was the only thing I ever meant to do.
I swear I'd kill if anything ever happened to you.

Those dreams we had will never have the chance to
come true,
Those nights that I swore I'd never let them hurt you.

Those dreams we had will never have the chance to
come true,

Those nights that I swore I'd never let them hurt you.
