Manchester of rape, Selena please Oh but this ain't heartache
Gable of beryl foresight
Amends, cockeyed witless, threaten retinas, With these frightened limp wrists
Gable of beryl foresight

Warding of pathogens like Mary of Magdalene Unbreaching colonies through forced misogyny So forget husbandry and no more baking bread One careless crow now I'm fucking infected

Gable of beryl foresight

Live, stalked ravine, dismantles family - My futures now quarantined Gable of beryl foresight

Hands out of pockets, ramming like rockets Hitchhike to hell with my thumbs in your sockets So forget husbandry and no more baking bread One careless crow . . . .

Panic! (Panic!) Despair! (Despair!) Mailer! (Mailer!), meet Jim!

Warding of pathogens like Mary of Magdalene Unbreaching colonies through forced misogyny So forget husbandry and no more baking bread One careless crow now I'm fucking infected
