Kristofferson  
This could be our last goodnight together  
We may never pass this way again  
Just let me enjoy 'till its over  
Or forever  
Please don't tell me how the story ends  
See the way our shadows come together  
Softer than your fingers on my skin  
Someday this may be all  
That we'll remember  
Of each other  
Please don't tell me how the story ends  
Never's just the echo of forever  
Lonesome as the love that might have been  
Just let me go on loving and believing  
'Till it's over  
Please don't tell me how the story ends  
Please don't tell me how the story ends...
