I'm lying alone with my head on the phone
Thinking of you till it hurts
I know you hurt too but what else can we do
Tormented and torn apart?

I wish I could carry your smile in my heart
For times when my life feels so low
It would make me believe what tomorrow could bring
When today doesn't really know, doesn't really know

I'm all out of love, I'm so lost without you
I know you were right believing for so long
I'm all out of love, what am I without you?
I can't be too late to say that I was so wrong

I want you to come back and carry me home
Away from this long lonely nights
I'm reaching for you, are you feeling it too?
Does the feeling seem oh so right?

And what would you say if I called on you now
And said that I can't hold on?
There's no easy way, it gets harder each day
Please love me or I'll be gone, I'll be gone

I'm all out of love, I'm so lost without you
I know you were right believing for so long
I'm all out of love, what am I without you?
I can't be too late to say that I was so wrong

Ooh, what are you thinking of?
What are you thinking of?
What are you thinking of?
What are you thinking of?

I'm all out of love, I'm so lost without you
I know you were right believing for so long

I'm all out of love, I'm so lost without you
I know you were right believing for so long
I'm all out of love, what am I without you?
I can't be too late, I know I was so wrong

I'm all out of love, I'm so lost without you
I know you were right believing for so long
I'm all out of love, what am I without you?
I can't be too late to say that I was so wrong
I can't be too late to say that I was so wrong
