Mom always said, nothing would break me or lead me
astray
Who would have guessed I'd let my mind drift so far
away
You always said I was a dreamer now instead
I'm dreaming of things that's making my mind go crazy
Small things like

When I call you at home and he answers the phone
Or I get your machine and I don't hear me
When I lie in my bed with the thoughts in my head
When we danced and we sang and we laughed all
night

Ooh da bop bop baby please don't let me go
Can't live my life this way
Ooh da bop bop baby please just let me know
And put my mind at ease for sure

On a love train
20 odd years now
I got off today
But nobody said the stop that I've taken
Was a stop too late
Now I'm alone I'm thinking of stupid
Hurtful small things like
When I call you at home and he answers the phone
Or I get your machine and I don't hear me
When I lie in my bed with the thoughts in my head
When we danced and we sang and we laughed all
night

Ooh da bop bop baby please don't let me go
Can't live my life this way
Ooh da bop bop baby please just let me know
And put my mind at ease for sure

Maybe it's time to say goodbye
Maybe it's time to let this lie
This is when we must set things right
Now that we've gone our separate ways
I just can't live these desperate days

This is what I've been trying to say

Ooh da bop bop baby please don't let me go
Can't live my life this way
Ooh da bop bop baby please just let me know
And put my mind at ease for sure
