Day after day  
Time pass away  
And i just can't get you off my mind  
Nobody knows  
I hide it inside  
I keep on searching but i can't find  
The courage to show  
Of letting you know  
That I've never felt so much love before  
And once again I'm thinking about  
Taking an easy way out

But if i let you go  
I will never know  
What my life would be holding you close to me  
Will i ever see you smiling back at me  
(oh yeah!)  
And how will i know  
If i let you go

Night after night  
Ihear myself say  
Why can't this feeling just fade away  
There's no one like you  
(no one like you)  
That sticks to my heart  
(sticks to my heart)  
It's such a shame we're worlds apart  
I'm too shy to ask  
I'm too proud to loose  
But sooner or later i gotta choose  
And once again I'm thinking about  
Taking an easy way out

But if i let you go  
I will never know  
What my life would be holding you close to me  
Will i ever see you smiling back at me  
(oh yeah!)  
And how will i know  
If i let you go

If i let you go  
oooh babe!

oooh yeah!

And once again I'm thinking about  
Taking an easy way out

But if i let you go (ooooooh!)  
I will never know  
What my life would be holding you close to me  
Will i ever see you smiling back at me  
(oh yeah!)  
And how will i know  
If i let you go

I will never know  
yeah babe!

Will i ever see you smiling back at me  
(oh yeah!)  
And how will i know  
If i let you go.
