Baby you're so beautiful  
And when i'm near you i can't breathe  
A girl like you gets what she wants  
When she wants it  
You're so out of my league  
I show you no emotion  
Don't let you see what you're doin' to me  
I Imagine the two of us together  
But I've been livin' in reality

Fear of rejection, kept my love inside  
But time is running out  
So damn my foolish pride!

I don't care if you think i'm crazy  
It doesn't matter if it turns out bad  
I've got no fear of losin' you  
You can't lose what you never had

Now i'm gonna confess that i love you  
I've been keepin' it inside feelin' i could die  
Now if you turn away baby that's O.K.  
At least we'll have a moment  
Before you say goodbye

(you can't lose what you never had)

Rules Are made for breakin'  
Nothing' ventured nothin' gained  
I'll be no worse off than i am right now  
And i might never get the chance again

Fear of rejection, kept my love inside  
Told my heart I didn't want you but i lied

I don't care if you think i'm crazy  
It doesn't matter if it turns out bad  
I've got no fear of losin' you  
You can't lose what you never had

Now i'm gonna confess that i love you  
I've been keepin' it inside feelin' i could die

Now if you turn away baby that's O.K.  
At least we'll have a moment  
Before you say goodbye

Here on the outside lookin' in  
Don't wanna stay dreamin'  
Bout what could have been  
I need to hear you speak my name  
Even if you shoot me down in flames

I don't care if you think i'm crazy  
It doesn't matter if it turns out bad  
I've got no fear of losin' you  
You can't lose what you never had

..I'm gonna confess that i love you  
I've been keepin' it inside feelin' i could die  
Now if you turn away baby that's O.K.  
At least we'll have a moment  
Before you say goodbye

(you can't lose what you never had..3x)
