I'll be gone on a monday
I'll be back on a friday
even lonely
without me
but baby baby baby I'll be home soon

Call a friend (call a friend)
for some laughter
Keep it mine
the day after
Save your love for the weekend
cause baby baby baby I give my love to you

ta dadada tadadada tadadadadadada tadada
tadadada

It's so cold in this city
And I'm dreaming that you're thinking of me
to whole night this feeling will be over

so baby baby baby save your love for me

ta dadada tadadada tadadadadadada tadada
tadadada
(yeah yeah oh girl dumdumdumdum)

to whole night
my flies at night
all over alone
and I see your smile
It lights up your eyes

so baby baby I'm coming home
I'm coming home

yeah

ta dadada tadadada tadadadadadada tadada
tadadada

sjubdubdudub sjudubdududub

I'm coming home
ta dadada tadadada tadadadadadada tadada
tadadada
(I'm coming home..yeah baby..oh girl tadadaa
I'm coming home I'm coming home I'm coming home
