You broke my heart 'cos I couldn't dance  
you didn't even want me around  
but now I'm back to let you know  
that I can really shake 'em down

Why do you love me (I can really move)  
why do you love me (I'm in the groove)  
why do you love me (do you really love me)  
now than I can dance dance dance  
Watch me now oh  
(Work it on) I said I'm work it on baby  
(work it on) oh you're driving me crazy  
(work it on) oh with a little bit of soul now

now I can do the blues (do the blues)  
and I can do the Twist (do the Twist)  
I said now telling me baby (telling me baby)  
now do you like it like this (like it like this)  
oh tell me tell me tell me woaaaahh

Why do you love me (I can really move)  
why do you love me (I'm in the groove)  
why do you love me (do you really love me)  
now than I can dance dance dance

Watch me now oh  
(push push) oh shake it up shake it up  
(push push) oh shake it shake it down  
(push push) just a little bit of soul now

(push push) well get in rhythm baby  
(push push) ah you're driving me crazy  
(push push) with just a little bit of soul now

I can mashed potatoes (the mashed potatoes)
