=====  
Westlife - Fools Again  
=====

Baby i know the story  
Ive seen th picture  
its written all over your face  
Tell me, whats the secret  
That you've been hiding  
and whos gonna take my place

I shouldve seen it comin?  
I shouldve read the signs  
Anyway, I guess its over

Cant believe that Im the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Cant believe that Im the fool again  
And i who thought you were my friend  
How was I to know, you never told me

Baby, you shouldve called me  
When you were lonely  
When you needed me to be there

Sadly, you never gave me  
To many chances  
To show you how much I care

I shouldve seen it comin?  
I shouldve read the signs  
Anyway, I guess its over

Cant believe that Im the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Cant believe that Im the fool again  
And i who thought you were my friend

How was I to know, you never told me

About the pain and the tears  
ohoooo, if i could I would  
Turn back the time

oh yeah...

I Shouldve seen it comin?  
I shouldve read the signs  
Anyway, I guess its over

Cant believe that Im the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Cant believe that Im the fool again  
And i who thought you were my friend  
How was I to know, you never told me

Cant believe that Im the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Cant believe that Im the fool again  
And i who thought you were my friend How was I to  
know, you never told me
