Everybody needs a little time away
I heard her say
From each other
Even lovers need a holiday
Far away from each other
Hold me now
It's hard for me to say I'm sorry
I just want you to stay

After all that we've been through,
I will make it up to you
I promise to
And after all that's been said and done
You're just a part of me I can't let go

Couldn't stand to be kept away
Just for the day
From your body
Wouldn't want to be swept away
Far away from the one that I love

Hold me now
It's hard for me to say I'm sorry
I just want you to know

Hold me now
I really want to tell you I'm sorry
I could never let you go
After all that we've been through,
I will make it up to you
I promise to

And after all that's been said and done
You're just a part of me I can't let go
After all that we've been through,
I will make it up to you,
I promise to

And after all that's been said and done
You're just a part of me I can't let go

You're gonna be the lucky one

Everybody needs a little time away
I heard her say
