Bryan:

Life without taking chances
Is no kind of life at all
You've gotta stand up for something
Even if u might fall

Shane:

Gotta take that road
Wherever it might go
No matter where, no matter what
I want you to know
I want you to know

Chorus:

I...
Tried to do my best
To do the best I could
I...
Had to give my all
It's what I had to do
And I'd...
Do it all again
And that's the honest truth
I...
I did it for you

Mark:

Maybe I was crazy
I guess I was sometimes
And maybe it's hard to change things
But I had to know I tried
Everyday you've got to live
For what you believe
Please understand
I had no choice
It's what had to be
It's what had to be

Chorus (Shane):

I...
Tried to do my best
To do the best I could
I...

Had to give my all
It's what I had to do
And I'd...
Do it all again
And that's the honest truth
I...
I did it for you

Shane:
Oh,
And I had no choice, no
It was something that I believed
A dream that was driving me
A fire inside of me

Chorus (Shane):
I...
Tried to do my best
To do the best I could
And I...
Had to give my all
It's what I had to do
I'd...
Do it all again
And that's the honest truth
I...
I did it for you

Shane:
Oh
I...
I did it for you
I did it for you
