I KNEW I LOVED YOU

Maybe it's intuition

Some things you just don't question

Like in your eyes

I see my future in an instant

and there it goes

I think I've found my best friend

I know that it might sound more than

a little crazy but I believe

Chorus:

I knew I loved you before I met you

I think I dreamed you into life

I knew I loved you before I met you

I have been waiting all my life

There's just no rhyme or reason

only a sense of completion

and in your eyes

I see the missing pieces

I'm searching for

I think I found my way home

I know that it might sound more than

a little crazy but I believe

[Repeat chorus]

A thousand angels dance around you

I am complete now that I found you

[repeat chorus]
