Just a smile and the rain is gone  
Can hardly believe it, yeah  
There's an angel standing next to me  
Reaching for my heart

Just a smile and there's no way back  
Can hardly believe it, yeah  
But there's an angel calling me  
Reaching for my heart

I know that I'll be okay now  
This time, it's real

I lay my love on you  
It's all I wanna do  
Every time I breathe I feel brand new

You open up my heart  
Show me all your love and walk right through  
As I lay my love on you

I was lost in a lonely place  
Could hardly believe it, yeah  
Holding on to yesterday  
Far, far too long

Now, I believe it's okay  
'Cause this time it's real

I lay my love on you

It's all I wanna do  
Every time I breathe I feel brand new

You open up my heart  
Show me all your love and walk right through, oh yeah  
As I lay my love on you

I never knew that love could feel so good

Like a once in a lifetime  
You change my world

I lay my love on you  
You make me feel brand new  
Show me all your love and walk right through, oh yeah  
As I lay my love on you

I lay my love on you  
It's all I wanna do  
Every time I breathe I feel brand new

You open up my heart  
Show me all your love and walk right through  
As I lay my love, I lay my love on you

I lay my love on you, oh  
You make me feel brand new  
You open up my heart  
Show me all your love and walk right through  
As I lay my love on you  
As I lay my love on you
