Bryan:

Your life's hard enough
And your not strong enough
To be bleeding from your heart
The strain has got to much
I feel your losing touch
You let your inner beauty slide
And if Im gone tomorrow
Would you feel my sorrow?
Dont you know that I'll be there?
Till the bitter end
Wont you be my baby coz

Chorus:

I wont let you down [I only want to be a part of you]
No I wont let you down[Ill do everything you want me
to]
Ill never let you down[Each day Im falling more in love
with you]
You dont know my mind
But your on it all the time

Mark:

Must have been a fight
To Keep your dreams alive
When your as far into his wounds
And if hes gone tomorrow
I wont feel no sorrow
Dont you know Ill bring you
Woah a better ending
To your helpless story because

Chorus:

I wont let you down [I only want to be a part of you]

No I wont let you down[Ill do everything you want me
to]
I'll never let you down[Each day Im falling more in love
with you]
You dont know my mind
But your all the other time

Mark:
You dont know my mind
But it dont make no difference
Running all the time
No no no
No I'll never let you down
No I'll never let you down

Mark:
And if hes gone tomorrow
I wont feel no sorrow
Dont you know Ill bring you
Woah a better ending
To your helpless story because

Chorus:
I wont let you down [I only want to be a part of you]
No I wont let you down[Ill do everything you want me
to]
I wont let you down[Each day Im falling more in love
with you]
Ill never let you down
