Always you will be part of me  
And I will forever feel your strength  
When I need it most

You're gone now, gone but not forgotten  
I can't say this to your face  
But I know you hear

Chorus:  
I'll see you again  
You never really left  
I feel you walk beside me  
I know I'll see you again

When I'm lost, when I'm missing you like crazy  
I tell myself I'm so blessed  
To have had you in my life, my life

Chorus:  
I'll see you again  
You never really left  
I feel you walk beside me  
I know I'll see you again

When I had the time to tell you  
Never thought I'd live to see the day

When the words I should have said  
Would come to haunt me

In my darkest hour I tell myself  
I'll see you again

Chorus:  
I'll see you again  
You never really left  
I feel you walk beside me  
I know I'll see you again

Someday I'll see you again

I'll see you again

You never really left  
I feel you walk beside me  
I know Iâ€™ll see you again

I'll see you again  
Iâ€™ll see you again

I miss you like crazy

Youâ€™re gone but not forgotten  
Iâ€™ll never forget you

Someday Iâ€™ll see you again

I feel you walk beside me  
Never leave you, yeah

Gone but not forgotten

I feel you by my side  
No this is not goodbye x 3
