i want you with me  
when the ground starts to shake  
i want you with me  
each day when i wake

and i hope you forgive me  
all my mistakes  
and yes, iâ€™ll be with you  
to the last mile of the way

like day turns to night  
stone turns to dust (yeah)  
like life becomes memories  
steel becomes rust

painâ€™s just a lesson learned  
weâ€™ll look back one day  
and iâ€™ll take you with me  
to the last mile of the way

oh yeah  
to the last mile of the way

to the last mile of the way

itâ€™s time to move on now  
so donâ€™t be afraid  
we should remember  
the roles that we played

whether the future  
has dark or bright days  
i will still love you  
yeahâ€¦ to the last mile of the way

to the last mile of the way

to the last mileâ€¦ of the way
