Let's Make Tonight Special

Intro:

I'll give the world to make you mine  
'Cause I can't go on without you this time  
What are you doing tonight, baby?  
Let's make tonight special  
All I'm asking for is a little word

I look in your eyes  
(and) baby, I see  
You are the only one I ever need  
Right from the start you were  
There in my heart and my soul  
'Cause baby, tonight  
We'll make it right  
We'll light some candlelight  
Make it all night  
Oh how I prayed for someone like you  
To make me feel like you do

I'll give the world to make you mine  
'Cause I can't go on without  
You this time, this time

Chorus:

So let's make tonight special  
Something beautiful that  
We'll always treasure  
Let's make tonight so right  
We will make it a night to remember  
All of our lives

Baby, tonight  
I hold you tight  
We will be close by the fireside  
Baby, I know  
That our love will grow  
So strong, baby strong  
The stars shine so bright  
The moon and the sky

Just being here  
With you means more than life  
Since I met you  
My heart has been true to you

Chorus
