[Shane:]

I'll give the world to make you mine
'Cause I can't go on without you this time, this time

[Mark:]

What are you doing tonight, baby?

[All:]

Let's make tonight special

[Mark:]

All I'm asking for is a little love

[Shane:]

I look in your eyes
(and) baby, I see
You are the only one I ever need
Right from the start you were there
In my heart and my soul

[Mark:]

'Cause, baby, tonight
We'll make it right
We'll light some candle light
Make it all night
Oh, how I prayed for someone like you
To make me feel like you do

[All (Shane lead):]

I'll give the world to make you mine
'Cause I can't go on without
You this time, this time

[All (Mark lead):]

So let's make tonight special
Something beautiful that
We'll always treasure
Let's make tonight so right
We will make it a night to remember
All of our lives

[Mark:]

Baby all of our lives

[Bryan:]

Baby, tonight
I'll hold you tight
We will be close by the fireside
Baby, I know
That our love will grow
So strong, baby strong

[Mark:]

The stars shine so bright
The moon and the sky
Just being here
With you means more than life

(and) since I met you
My heart has been true to you (to you)

[All (Shane lead):]

So let's make tonight special
Something beautiful that
We'll always treasure
Let's make tonight so right
We will make it a night to remember
All of our lives

[Shane:]

Now that I've found you I'll never let go
You are my everything I need you so

[Mark:]

Loving you baby is all that I know
I'll never break your heart

[All:]

Please let me show

[Mark:]

Please let me show that I...

[All (Shane lead):]

So let's make tonight special (Mark: love you baby)
Something beautiful that
We'll always treasure
So let's make tonight so right
We will make it a night to remember
(Mark: make it a night to remember)
All of our lives

(We will make it a night to remember)
So let's make tonight special
Something beautiful that

We'll always treasure
(Something beautiful that we'll always treasure)
Let's make tonight so right (so right)
We will make it a night to remember
All of our lives

[Mark:]

Cos all of our lives

[All:]

So let's make tonight special
Something beautiful that we'll always treasure
(Something beautiful that we'll always treasure)
