I'd gladly walk across the desert with no shoes upon  
my feet  
To share with you the last bite of bread I had to eat  
I would swim out to save you in your sea of broken  
dreams  
When all your hopes are sinking, let me show you what  
love means

Love can build a bridge  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time?  
Don't you think it's time?

I would whisper love so loudly, every heart could  
understand  
That love and only love can join the trials of man  
I would give my hearts' desire so that you might see  
The first step is to realize that it all begins with you and  
me

Love can build a bridge  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time?  
Don't you think it's time?

When we stand together, it's our finest hour  
We can do anything, anything  
Anything, anything  
Keep believin' in the power

Love can build a bridge  
Between your heart and mine  
Love can build a bridge  
Don't you think it's time?  
Don't you think it's time?

Yeah, yes I do  
Oh, love can build a bridge  
Whoa, love and only love  
Between your heart and mine

Between your heart and mine

Love can build a bridge

Love and only love

Don't you think it's time?

Oh, don't you think it's time?

Don't you think it's time?

Love and only love, yeah, love and only love
