I remember all my life  
Raining down as cold as ice  
Shadows of a man  
A face through a window  
Crying in the night  
The night goes into

Morning just another day  
Happy people pass my way  
Looking in their eyes  
I see a memory  
I never realized  
How happy you made me  
Oh Mandy

When you came and you gave without taking  
But I sent you away, oh Mandy  
When you kissed me and stopped me from shaking  
And I need you today, oh Mandy

I'm standing on the edge of time  
I walked away when love was mine  
Caught up in a world  
Of uphill climbing  
Tears are on my mind  
Nothing is rhyming  
Oh Mandy

When you came and you gave without taking  
But I sent you away, oh Mandy  
When you kissed me and stopped me from shaking  
And I need you today  
Oh Mandy

Yesterdays a dream  
I faced the morning  
Cryin' on the breeze  
The pain is calling  
Oh Mandy

When you came and you gave without taking  
But I sent you away, oh Mandy

When you kissed me and stopped me from shaking  
And I need you today  
Oh Mandy

When you came and you gave without taking  
But I sent you away, oh Mandy  
When you kissed me and stopped me from shaking  
And I need you

Oh Mandy wont you listen to what I've got to say  
Oh Mandy don't you let me throw it all away  
Oh Mandy wont you listen to what I've got to say  
And I need you today  
Oh Mandy
