I can't sleep,  
I just can't breathe,  
when your shadow is all over me baby,  
Don't wanna be,  
a fool in your eyes,  
Cause what we had was built on lies,

And when our love seems to fade away,  
Listen to me hear what I say,

I don't wanna feel,  
the way that i do,  
I just wanna be,  
right here with you,  
I don't wanna see,  
see us apart,  
I just wanna say it straight from my heart,  
I miss you.....

What would it take,  
for you to see,  
To make you understand,  
that i'll always believe, (always believe)  
You and i,  
can make it through,  
And i still know,  
I can't get over you,

Cause when our love seems to fade away,  
Listen to me hear what I say,

I don't wanna feel,  
the way that I do,  
I just wanna be,

right here with you,  
I don't wanna see,  
see us apart,(see us apart)  
I just wanna say it straight from my heart,  
oh baby i miss you,  
i do...

Cause when our love always fades away,  
Listen to me hear what I say,

I don't wanna feel,  
the way that i do,  
I just wanna be,  
right here with you,  
I don't wanna see,  
see us apart, (oh no ,see us apart)  
I just wanna say it straight from my heart,  
I miss you, i miss you,  
i do...

I don't wanna feel,  
the way that I do, (the way that i do)  
I just wanna be, (just wanna be)  
right here with you, (right here with you)  
I don't wanna see, (don't wanna see)  
See us apart,(see us apart oh baby)  
I just wanna say it straight from my heart  
oh baby i miss you,  
i do...
