An empty street
An empty house
A hole inside my heart
I'm all alone, the rooms are getting smaller

I wonder how
I wonder why
I wonder where they are
The days we had
The songs we sang together
Oh yeah

And oh my love
I'm holding on forever
Reaching for a love that seems so far

So I say a little prayer
And hope my dreams will take me there
Where the skies are blue to see you once again
My love

Overseas from coast to coast
To find the place I love the most
Where the fields are green to see you once again
My love

I try to read
I go to work
I'm laughing with my friends
But I can't stop to keep myself
From thinking
Oh no

I wonder how
I wonder why
I wonder where they are
The days we had, the songs we sang together
Oh yeah

And oh my love
I'm holding on forever
Reaching for the love that seems so far

So I say a little prayer
And hope my dreams will take me there
Where the skies are blue to see you once again
My love

Overseas from coast to coast
To find the place I love the most
Where the fields are green to see you once again

To hold you in my arms
To promise you my love
To tell you from my heart
You're all I'm thinking of

Reaching for the love that seems so far

So I say a little prayer
And hope my dreams will take me there
Where the skies are blue to see you once again
My love

Overseas from coast to coast
To find the place I love the most
Where the fields are green to see you once again
My love

Say a little prayer
Dreams will take me there
Where the skies are blue to see you once again

Overseas from coast to coast
To find the place I love the most
Where the fields are green to see you once again
My love
