"Now And Forever"

Whenever I'm weary
From the battles that rage in my head
You make sense of madness
When my sanity hangs by a thread

I lose my way
But still you seem to understand
Now and forever
I will be your man

Sometimes I just hold you
To caught up in the inner scene
I'm holding a fortune
That heaven has given to me

I'll try to show you
Each and every way I can
Now and forever
I will be your man

Now I can rest my worries
And always be sure
That I won't be alone anymore
If I'd only known you were there all the time
All this time

Until the day the ocean doesn't touch the sand
Now and forever
I will be your man
Now and forever
I will be your man
