Mornings after
Still lingers
Just waking up
I see a shadow of you
Making breakfast for two
I go driving
Past our place and
I see this girl walk by
I smell her perfume
For a moment I wish it was you
Iâ'm not gonna tell ya
Iâ'm not gonna say that Iâ'm okay, no
Iâ'm tryinâ' to get over
Iâ'm tryinâ' to get far away from our mistakes

Chorus:
But I see shadows
Everywhere that I go
Itâ's you, reminding me
Of how we were
Of how it was
I see shadows
Everywhere they follow
Itâ's you and memories
Of how we loved
Iâ've had enough of your shadows
Four months gone
I canâ't feel you
I donâ't understand it

Where did you go?
I hate that youâ're all that I know
Iâ'm not gonna tell ya
Iâ'm not gonna say that Iâ'm okay, no
Iâ'm tryin to get over
Iâ'm tryinâ' to get far away from our mistakes

Chorus

You couldnâ't love me
So why wonâ't you leave me
Shadows

Alone is the only place I want to be
I see shadows
Everywhere that I go
It's you, reminding me
Of how to love
I've had enough
I see shadows
Everywhere they follow
It's you, the memories
Of how we loved
I've had enough
Your shadows
It's you, the memories
Of how we loved
I've had enough of your shadows
Your shadows
