*[All (Shane lead vocals):]*

This is the story of love

*[Bryan:]*

Let's make it last forever

*[All (Shane lead vocals):]*

You hold the words that mean so much

*[Bryan:]*

Let's make a plan together

*[All:]*

Whoa, Whoa, Whoa, Whoa, Whoa

*[Shane:]*

In the story of love

*[All:]*

Whoa, Whoa, Whoa, Whoa, Whoa

*[Shane:]*

Oh yeah

*[All:]*

Whoa, Whoa, Yeah

*[Shane:]*

Now is the moment  
I've been waiting for  
When dreams they come to life  
No hesitation, only open doors  
You pushed those doubts aside

*[Mark:]*

Somehow you always feel  
What is on my mind  
Seems like this consequence came right on time,  
ooohh

*[All (Shane lead vocals):]*

This is the story of love

*[Bryan:]*

Let's make it last forever

*[All (Bryan lead vocals):]*

You hold the words that mean so much

*[Bryan:]*

Let's make a plan together

*[Shane:]*

Baby, oh

*[All:]*

When my world falls behind

I just look into those eyes

*[Mark:]*

And see the story of love

*[All:]*

Whoa, Whoa, Whoa, Whoa, Whoa, Yeah

*[Bryan:]*

Running in circles

Feels like eternity

Indecision in my mind

You hold the window

Through all the remedies

And filled that space inside

*[Mark:]*

Somehow you turned the page

To the other side

What was an empty place

Is now filled with life, ooohh

*[All (Shane lead vocals):]*

This is the story of love

*[Shane:]*

This is the story of love

*[Bryan:]*

Let's make it last forever

*[All (Shane lead vocals):]*

You hold the words that mean so much

*[Bryan:]*

Let's make a plan together

*[Shane:]*  
Baby, oh

*[All (Bryan lead vocals):]*  
When my world falls behind  
I just look into those eyes

*[Mark:]*  
And see the story of love

*[All:]*  
No more illusions  
Brought down in our lives

*[Mark:]*  
Oh, my baby, all my confusions pushed aside, oooh

*[All:]*  
This is the story of love

*[Bryan:]*  
This is the story  
Let's make it last forever

*[All (Shane lead vocals):]*  
You hold the words that mean so much

*[Bryan:]*  
Let's make a plan together

*[All:]*  
When my world falls behind

*[Mark:]*  
Behind

*[All:]*  
I just look into those eyes

*[Mark:]*  
And see the story of love

*[All:]*  
Whoa, Whoa, Whoa, Whoa, Whoa, Yeah

*[Shane:]*  
Oh, baby, yeah

*[All:]*  
Whoa, Whoa, Whoa, Whoa, Whoa

*[Mark:]*

Yeah
