"Thank You"

Visit "[Thank You](#)" on MotoLyrics.com

[Shane:]

I wanna thank you very much
Thank you for lending me love
Now I'm levitating
Cos I feel like I've been waiting
For a lifetime
For your touch

[Bryan:]

Now I'm 6 feet off the ground
And I may never come back down, yeah
Cos I still feel your kiss
It's on my lips
And I keep wishing
You come back around, oh

[All (Bryan):]

When you came along...
(When you came along)
You know you save me from...
(You know you save me from)
Ordinary days...
(Yeah!)

[Bryan:]

You left me with your touch
So thank you very much!

[Shane:]

Oh yeah!
Thank you very much!

[Mark:]

I wanna thank you for this smile
But I don't say this much
It's usually not my style
I was sleeping and yesterday
You gave my world a shakin'
My eyes are open wide, oh

[All (Bryan):]

Can't believe it's true...

(I can't believe it's true)
I've been kissing you...
(Cos I've been kissing you)
Now everything I do...
(Everything comes...)
Comes second to your touch
So thank you very much!

[Bryan:]
I wanna say...

[Shane:]
Thank you very much!

[Shane (all):]
Good God

There I was
Then you came
(Imagine my surprise!)
Some say
Less is more
But I'm not sure
(Cos I can't say goodbye)
Some day
I may fall
But till that day
I'll be feeling high
So high
Yeah, yeah
Thank you very much!
I wanna thank you
For the love that you gave me
Cos it's all in your touch

[All (Bryan):]
Can't believe it's true...
(I don't believe it's true)
I've been kissing you...
(Cos I've been kissing you)
Now everything I do...
(Well everything comes...)
Comes second to your touch
So thank you very much!

[Shane:]
One more time!
Thank you very much!
I got a feeling, girl
You can be my world
We were meant to be together

Can't you see it got me, oh yeah!

[All:]

Good God
There I was
Then you came
Imagine my surprise!
Some say
Less is more
But I'm not sure
Cos I can't say goodbye

Good God
There I was
Then you came
Imagine my surprise!
Some say
Less is more
But I'm not sure
Cos I can't say goodbye

Good God
There I was
Then you came
Imagine my surprise!
Some say
Less is more
But I'm not sure
Cos I can't say goodbye...
