Listen girl
Just let me talk to you
I just wanna be with you
So why should i play it cool
You and me, We got a chemistry
So i dont need poetry to say what ya mean to me

See im not into buying, your affections
With a diamond, on a necklace,
Theres a real way to do it girl
I dont need to throw you, all these lines,
Just so you know, I know, your fine im gonna come right
out and say it girl

I love you, I love you
Whats wrong with saying it the easy way
I love you, I love you
Whats wrong with saying it the easy way

Pretty girl i dont wanna play no more
Been there done that before
I've never been so sure
About what i feel
Lets get it on for real
Why should i hold it back
When all i wanna say is that

See im not into buying your affections
With a diamond, on a necklace,
Theres a real way to do it girl
I spend all the time, i have with you,

I never treat you bad,
Aint that enough to show you
That you are my, world

I love you, I love you
Whats wrong with saying it the easy way
I love you, I love you
Whats wrong with saying it the easy way

Ohhhhhh i love you, I love you the easy way

I Love you ... (Yeah Yeah Yeah)

See im not into buying your affections
With a diamond, on a necklace,
Theres a real way to do it girl
I spend all the time, i have with you,
I never treat you bad,
Aint that enough to show you
That you are my world

I love you, I love you
Whats wrong with saying it the easy way
I love you, I love you
Whats wrong with saying it the easy way
I love you, I love you
Whats wrong with saying it the easy way
I love you, I love you
Whats wrong with saying it the easy way

I love you . . . The easy way
