[Kian]

Everytime I close my eyes
You're all that I can see
I hold you in my heart
And know you're watching over me

[Shane]

Standing by your side
It felt like I could fly
If I could be half the man that you are in my eyes
And I could face the darkest day
And fight the tears inside
I can't turn the page or hold back the time
It's too hard to say goodbye
It's too hard to say goodbye

[Nicky]

From you I learnt it all
You would never let me fall
Love won't come undone
Between a father and his son

[Mark]

Standing by your side
Felt like I could fly
If I could be half the man that you are in my eyes
I would face the darkest day
And fight the tears inside

I can't turn the page or hold back the time
It's too hard to say goodbye
It's too hard to say goodbye

[Mark]

There will come a day
I'll have to walk alone
And I'll have to make it on my own

[Shane]

You thought me all there is to know
Dad I'll never let you go

[All]

Standing by your side

I felt like I could fly

If I could be half the man that you are in my eyes

I would face the darkest day

Fight back the tears inside

But I can't turn this page or hold back the time

[Shane]

It's too hard to say goodbye

[Kian]

It's too hard to say goodbye

[Nicky]

Just can't say goodbye
