[Shane:]

Hush now don't you cry
There will be a better day
I promise you
We can work it out
But only if you let me know
What's on your mind

[Mark:]

Baby, you thought it was forever
Through any kind of weather

[Shane:]

But some day you will find what you're searching for

[All:]

Try again
Never stop believing
Try again
Don't give up on your love
Stumble and fall
Is the heart of it all
When you fall down (down)
Just try again

[Bryan:]

Smile now, let it go
Hey, you will never be alone
I promise you
If you can't fight the feeling (Oh yeah)
Surrender in your heart

Remember love will set you free

[Shane:]

Baby, you thought it was forever
You would always be together
But someday you will find what you're searching for

[All:]

Try again
Never stop believing
Try again

Don't give up on your love
Stumble and fall
Is the heart of it all
When you fall down (down)
Just try again

[Shane:]

Baby, when a heart is crying
Its sometimes feels like dying
The tear drops fall like rain

Baby, you thought it was forever
You would always be together
But someday you will find what you're searching for

[All:]

Try again (ooh yeah)
Never stop believing (oh no)
Try again
Don't give up on your love
([Mark:] Dont' give up on your love baby)

Try again
([Mark:] just try again)
Never stop believing
Try again
Don't give up on your love

Stumble and fall
Is the heart of it all

[Shane:]

When you fall down
Just try again
