*[Nicky:]*

Us against the world  
Against the world  
Us against the world  
Against the world

*[Shane:]*

You and I, we've been at it so long  
I still got the strongest fire  
You and I, we still know how to talk  
Know how to walk that wire

*[Mark:]*

Sometimes I feel like The world is against me  
The sound of your voice, baby  
That's what saves me  
When we're together I feel so invincible

*[Shane:]*

Cause it's us against the world  
You and me against them all  
If you listen to these words  
Know that we are standing tall  
I don't ever see the day that  
I won't catch you when you fall  
Cause it's us against the world tonight

*[Nicky:]*

Us against the world  
Against the world

*[Mark:]*

There'll be days  
We'll be on different sides but  
That doesn't last too long  
We find ways to get it on track  
And know how to turn back on

*[Shane:]*

Sometimes I feel  
I can't keep it together  
Then you hold me close

And you make it better  
When Iâ€™m with you  
I can feel so unbreakable  
*[Mark:]*  
Cause it's us against the world  
You and me against them all  
If you listen to these words  
Know that we are standing tall  
I don't ever see the day that  
I won't catch you when you fall  
Cause it's us against the world tonight

Weâ€™re not gonna break  
Cause we both still believe  
We know what weâ€™ve got  
And weâ€™ve got what we need alright  
Weâ€™re doing something right...

*[Shane & Mark:]*  
Cause it's us against the world  
You and me against them all  
If you listen to these words  
Know that we are standing tall  
I don't ever see the day that  
I won't catch you when you fall  
Cause it's us against the world tonight

Us against the world  
You and me against them all  
If you listen to these words  
Know that we are standing tall  
I don't ever see the day that  
I won't catch you when you fall  
Us against the world  
Yeah itâ€™s Us against the world, baby  
Us against the world  
Tonight

*[Nicky:]*  
Us against the world  
Against the world  
Us against the world
