Some day, when I'm awfully low  
When the world is cold  
I will feel a glow just thinking of you  
And the way you look tonight

Yes, you're lovely with your smile so warm  
And your cheeks so soft  
There is nothing for me but to love you  
And the way you look tonight

With each word your tenderness grows  
Tearing my fear apart  
And that laugh wrinkles your nose  
Touches my foolish heart

Lovely, don't you ever change  
Keep that breathless charm  
Won't you please arrange it  
'Cause I love you just the way you look tonight

Lovely, don't you ever change  
Keep that breathless charm  
Won't you please arrange it  
'Cause I love you just the way you look tonight

Just the way you look tonight
