Shane:

Being interviewed by somebody,
In the hotel lobby,
She says where do you come from,
Now i really like to talk about it,
But if you write it,
Please don't get it wrong,

Mark:

Mum said you should always aim high,
To a kid with a glint in his eye,
She would never lie,

All:

And now we're 4 years on,
Feels like we've just begun,
Never forget this is were we belong,
Everytime that we talk about movin on,
It turns into a song,
Coz together were strong,
Like the place we come from,
This is were we belong,

Nicky:

Next question,
But ive heard this one before
No were not about to stop (no no)

Bryan:

So let me ask you something
When you got something this good,
Tell me why would we give up?

Mark:

Mum said you should always aim high,
To a kid with a glint in his eyes,
She would never lie,

All:

And now we're 4 years on,
Feels like we've just begun,

Never forget this is where we belong,
Everytime that we talk about moving on,
It turns into a song,
Coz together we were strong,
Like the place we come from,
This is where we belong,

Kian:
Last question,
Now I've really got to go,
To the next time,
Yeah yeah

All:
And now we're 4 years on,
Feels like we've just begun,
Never forget this is where we belong,
Everytime that we talk about moving on,
It turns into a song,
Coz together we were strong,
Like the place we come from,
This is where we belong,
And now we're 4 years on,
Feels like we've just begun,
Never forget this is where we belong,
Everytime that we ta
