*[Bryan:]*

All they know  
Is when we fight  
They never see us in the loving times  
What do they know  
They don't know  
A thing

*[Mark:]*

And they don't know  
How laughter flies  
Only the stories  
Most of which are lies  
What do they know  
They don't know  
A thing

*[Shane:]*

How can you understand  
A love so strong  
When you never shared that with someone  
And when all the lies are dead and gone  
We'll still be here  
We'll prove them wrong

*[Mark:]*

Cause they don't feel  
  
Your touch at night  
The way your head falls in the morning light  
What do they know  
They don't know  
A thing

*[Bryan:]*

How can you understand  
A love so strong  
When you never shared that with someone  
And when all the lies are dead and gone  
We'll still be here  
We'll prove them wrong

*[Shane:]*

Cause all they know is how to criticize  
They'll never take a chance in their own lives  
What do they know  
They dont know  
A thing  
And all I know  
Is they don't know a thing
