Suddenly she's leaving
Suddenly the promise of love has gone
Suddenly breathing seems so hard to do

Carefully you planned it
I got to know just a minute too late
Oh girl now i understand it
All the times we made love together
Baby you were thinking of him

Why do i love you
Dont even want to
Why do i love you like i do
Like i always do
You should have told me
Why did you have to be untrue
Why do i love you like i do.

Ain't gonna show no weakness
i'm gonna snile and tell the whole world i'm fine
i'm goin' to keep my senses
But deep down when no one can here me
Baby i'm crying for you

Why do i love you
don't even want to
why do i love you like i do
like i always do
you should have told me
why did you have to be untrue
why do i love you like i do

Can't go back can't erase
baby your smiling face oh no
i can think of nothing else but you
suddenly

Why do i love you
don't even want to
why do i love you like i do
like i always do

you should have told me
why did you have to be untrue
why do i love you like i do

Repeat to fade
