Suddenly she's  
Leaving  
Suddenly the  
Promise of love has gone  
Suddenly  
Breathing seems so hard to do

Carefully you  
Planned it  
I got to know just  
A minute to late, oh girl  
Now I understand it  
All the times we  
Made love together  
Baby you were thinking of him

Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do

Ain't gonna show no  
Weakness  
I'm gonna smile  
And tell the whole world I'm fine  
I'm gonna keep my senses  
But deep down  
When no one can hear me  
Baby I'll be crying for you

Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do

Can't go back

Can't erase  
Baby your smiling face oh no  
I can think of nothing else but you  
Suddenly

Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me  
Why did you have to be untrue (love you like I do)  
Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do

(Fade)  
Why do I love you  
Don't even want to  
Why do I love you like I do  
Like I always do  
You should've told me  
Why did you have to be untrue (love you like I do)  
Why do I love you like I do
