Can't loose what you never had

Baby you're so beautiful and when I'm near you I can't breathe

A girl like you gets what she wants when she wants it
You're so out of my league

I show you no emotions, don't let you see what you're doin' to me

I imagine the two of us together
But I've been livin' in reality

Fear of rejection kept my love inside
But time is runnin' out, so damn my foolish pride

Chorus:

I don't care if you think I'm crazy
It doesn't matter if it turns out bad
I've got no fear of losin' you
You can't loose what you never had
Now I'm gonna confess that I love you
I've been keepin' it inside, feelin' I could die
Now if you turn away, baby, that's ok
At least we'll have a moment before you say goodbye
You can't loose what you never had

Rules are made for breakin', nothing ventured nothing gained

I'll be no worse of than I am right now
And I might never get that chance again

Fear of rejection kept my love inside
Told my heart I didn't want you but I lied

Chorus

Here on the outside lookin' in
Don't wanna stay dreamin' 'bout what could have been
Need to hear you speak my name
Even if you shoot me down in flames

Chorus
