When I am down and all my souls surround me
And troubles come and my heart burden me
And I am still am waiting here in the silence
Until you come and sit awhile with me

You raise me up so I can stand on mountains
You raise me up to walk on stormy seas
I am strong when I am on your shoulders
You raise me up to more than I can be

You raise me up so I can stand on mountains
You raise me up to walk on stormy seas

I am strong when I am on your shoulders
You raise me up to more than I can be

You raise me up so I can stand on mountains
You raise me up to walk on stormy seas
I am strong when I am on your shoulders
You raise me up to more than I can be

You raise me up so I can stand on mountains
You raise me up to walk on stormy seas
I am strong when I am on your shoulders
You raise me up to more than I can be
You raise me up to more than I can be
