I wanna call the stars down from the sky
I wanna live a day that never dies
I wanna change the world only for you
All the impossible, I wanna do

I wanna hold you close under the rain
I wanna kiss your smile and feel the pain
I know what's beautiful looking at you
In a world of lies, you are the truth

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you everything you ask for, nothing is above
me
I'm shining like a candle in the dark
When you tell me that you love me

I wanna make you see just what I was
Show you the loneliness and what it does
You walked into my life to stop my tears
Everything's easy now, I have you here

And baby, every time you touch me, I become a hero
I'll make you safe, no matter where you are
And bring you everything you ask for, nothing is above
me
I'm shining like a candle in the dark
When you tell me that you love me

In a world without you, I will always hunger
All I need is your love to make me stronger

Every time you touch me, I become a hero
I'll make you safe, no matter where you are
And bring you everything you ask for, nothing is above
me
I'm shining like a candle in the dark
When you tell me that you love me
When you tell me that you love me, you love me
When you tell me that you love me
