How can I just let you walk away?
Just let you leave without a trace
When I'm standing taking every breath
With you, oh, you're the only one
Who really knew me at all

How can you just walk away from me?
When all I can do is watch you leave
'Cause we shared the laughter and the pain
And even shared the tears, you're the only one
Who really knew me at all

So take a look at me now
There's just an empty space
There's nothing left here to remind me
Just the memory of your face

So take a look at me now
There's just an empty space
If you're coming back to me it's against all odds
And that's what I've got to face

I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why, you're the only one
Who really knew me at all

So take a look at me now
There's just an empty space
There's nothing left here to remind me
Just the memory of your face

So take a look at me now
So there's just an empty space
But to wait for you is all I can do
When that's what I've got to face

Take a good look at me now
'Cause I'll be standing here
(Standing here)
And you coming back to me is against all odds

And that's the chance I've got to take

Got to take, got to take

Oh, take a look at me now

Take a look at me now
