Time can never mend the careless whispers, of a good friend

To the heart and mind, ignorance is kind

There's no comfort in the truth

Pain is all you'll find

Should've known better

I feel so unsure

As I take your hand and lead you to the dance floor

As the music dies, something in your eyes

Calls to mind the silver screen

And all its sad good-byes

I'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know your not a fool

Should've known better than to cheat a friend

And waste the chance that I've been given

So I'm never gonna dance again

The way I danced with you

Time can never mend

The careless whispers of a good friend

To the heart and mind

Ignorance is kind

There's no comfort in the truth

Pain is all you'll find

I'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know your not a fool

Should've known better than to cheat a friend

And waste this chance that I've been given

So I'm never gonna dance again

The way I danced with you

Never without your love

Tonight the music seems so loud  
I wish that we could lose this crowd  
Maybe it's better this way  
We'd hurt each other with the things we'd want to say

We could have been so good together  
We could have lived this dance forever  
But no one's gonna dance with me  
Please stay

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know your not a fool

Should've known better than to cheat a friend  
And waste the chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

(Now that you're gone) Now that you're gone  
(Now that you're gone) What I did's so wrong  
That you had to leave me alone
