Another summer  
Another vacation is over...  
A september morning,  
With the sun and the smell of the clover...

Down by the gate  
We sit and we watch all our friends go by...  
And pretend we don't hear the bell,  
That rings through the summer sky.

I was happy with the kiss that she gave me,  
It's just that happy was all she made me...  
Happy that was...  
Until I saw you...

Chorus  
Heart beat, heart beat,  
Why do you fail me now?  
You hurt me...desert me,  
In my darkest hour...  
Heart beat, heart beat,  
Why do you keep me here?  
How could I help but admire her beauty?  
Standing on the line between desire and duty...

Heart beat heart beat...  
It will end in tears...

I need a lover,  
But love's such a dangerous place to be...  
Oh, if we were meant for each other,  
Then why won't you answer me?

Don't keep me waiting,  
You know that I long to be by your side...  
We could even be together,  
Tonight...

I was happy with the kiss that she gave me...  
But now there's nothing on earth to save me...  
Why should I care?  
I can't have you....

Repeat chorus  
(return to top)
