I come into your town  
And all it ever does is bring me down  
All we ever do is hang around  
People looking for some common ground

Cheap wine  
That's mine  
And all you ever say  
It's gonna come someday  
But I can't wait  
And all I ever do  
Is stick and cling to you  
And the only thing that gets me through

Cheap wine  
Makes me smile  
And I hold on tight  
For a little while

As you scream the end is coming  
Que sera, sera  
Left us in a lasting something  
All it seems that I can draw in  
Oh if this is the end, I should spend it with a friend

Cheap wine  
That's mine  
And I hold on tight  
For a little while

Love love love  
Could never be enough  
You're afraid of what you'll become  
A shape of what you're made of

Cheap wine  
Makes me smile  
And I hold on tight  
For a little while

Cheap wine  
Makes me smile

And I hold on tight  
For a while
