Hypnotic tango

tango
tango !

Stock in my seat can't move no way
the other guys knows the game to play
I'm watchin' her - I'm watchin' me - I'm gettin' brave
Oh take him apart say listen to me.

Look on the floor and all is spinning round
Someone told me this was just a dance
And take a chance ain't met before
do you think I really have a chance?

Look on the floor and all is spinning round
Someone told me this was just a dance
And take a chance ain't met before
do you think I really have a chance?

Hypnotic tango

tango
tango !

Rough diamond he smiles She looks at him
Ain't gonna be No story in love
Take me to the dance Floor by the hand
Give me this night In a foreign land.

Look on the floor And all is spinning round
Someone told me this was just a dance
And take a chance ain't met before
do you think I really have a chance?

Look on the floor And all is spinning round
Someone told me this was just a dance
And take a chance ain't met before
do you think I really have a chance?

Hypnotic
