Missed the Saturday dance heard they crowded the floor

Couldn't bear it without you don't get around much anymore

Thought I'd visit the club got as far as the door They'd have asked me about you don't get around much anymore

Darling, I guess my mind's more at ease But never the less, why stir up memories? Been invited on dates might have gone but what for? Awfully different without you don't get around much anymore

Darling, I guess my mind's more at ease But never the less, why stir up memories? Been invited on dates might have gone but what for? Oh it's different without you I can't bare it without you anymore Please girl oh I need you baby

Don't get around much anymore I don't get around much anymore I need you baby, I need you baby
