It had to be you, it had to be you
I wandered around and finally found the somebody
who
Could make me be true, could make me be blue
Or even be glad just to be sad thinking of you

Some others I've seen might never be mean
Might never be cross or try to be boss but they wouldn't
do
For nobody else gave me a thrill, with all your faults I
love you still
It had to be you, wonderful you, it had to be you

Some others I've seen might never be mean
Might never be cross or try to be boss but they wouldn't
do
For nobody else gave me a thrill, with all your faults I
love you still
Baby, it had to be you, wonderful you, it had to be you
