Always stuck a leaving, drives me crazy
Make of someting I know nothing, baby it's hard
Baby it's so hard
I would like to wear your face for a minute
You are always staying, I'm always leaving
Baby, I'm gone
And I see you let me out of this silent soul

I can't love myself
But I can't leave myself
Can't be no one else, cause in the end
We are the ones we are
But I just can't love myself
So how could you my friend
Yes, I can pretend, but in the end
We are the ones we are
And I just can't love myself

I'm the kind of thing you don't remember
Like a rainy day in this September
I'm gone, baby I'm gone
People never hate me, my world is so silent
When I try to sing, it sounds like the siren
Baby, it's hard
And I see you let me out of this lonely life

I can't love myself
But I can't leave myself
Can't be no one else, cause in the end
We are the ones we are
But I just can't love myself
So how could you my friend
Yes, I can pretend, but in the end
We are the ones we are

Whatever you say
I'm not gonna change
Whatever you feel
Stay the same way

I can't love myself

But I can't leave myself
Can't be no one else, cause in the end
We are the ones we are (x2)
