The moon is the same moon above you  
Aglow with its cool evening light  
But shining at night in Tunisia  
Never does it shine so bright.  
The stars are aglow in the heavens  
But only the wise understand  
That shining at night in Tunisia  
They guide you through the desert sand.  
Words fail to tell a tale  
Too exotic to be told  
Each night's a deeper night  
In a world ages old.  
The moon is the same moon above you  
Aglow with its cool evening light  
But shining at night in Tunisia  
Never does it shine so bright
