I make a date for golf  
and you can bet your life it rains  
I try to throw a party  
and the guy upstairs complains  
I guess I'll go through life  
just catching colds and missing trains  
Everything happens to me  
I never miss a thing,  
I've had the measles and the mumps  
And every time I play an ace  
My partner always trumps  
I guess I'm just a fool  
who never looks before he jumps  
Everything happens to me  
At first I thought that you could break this jinx for me  
That love would turn the trick to end despair  
Now I just can't fool this head that thinks for me  
I've mortgaged all my castles in the air  
I've telegraphed and phoned  
and sent an airmail special too  
Your answer was goodbye  
and there was even postage due  
I fell in love just once  
it had to be with you  
Everything happens to me.  
Everything happens to me
